

[AREA: 1827]

This is a detailed floor plan of a residential unit. The layout includes the following rooms and features:

- Bedrooms:** There are three bedrooms. One is at the top left, another in the middle right, and a larger Primary Bedroom at the bottom left.
- Bathrooms:** There are two full bathrooms. One is located between the top two bedrooms, and the other is between the middle and bottom bedrooms.
- Halls:** Multiple hallways connect the rooms, including a central hall and a hallway leading to the stairs.
- Office:** Located at the bottom left, adjacent to the Primary Bedroom.
- W.I.C. (Walk-In Closet):** Located between the Office and the Primary Bedroom.
- Stairwells:** Two stairwells are highlighted in red. Stairwell (1) is a small rectangular area near the top right. Stairwell (2) is a larger area at the bottom right.
- Dimensions:** The overall dimensions of the unit are 14'6" wide by 39'6" deep. Individual room dimensions are provided throughout the plan.
- Area Calculations:** The area for Stairwell (1) is 32, and the area for Stairwell (2) is 62.
